SOME CHANGES BECOME EVIDENT AT A GLANCE . . .

CHANGE MARKS THE FACE OF ANY COLLEGE CAMPUS, AND CHANGE AT WESLEYAN CAN BE SEEN BOTH ON THE SURFACE AND IN ITS DEEPER FOUNDATIONS. PROFESSORS AND STUDENTS SEEM MORE EXERCISE-ORIENTED AS EVIDENCED BY THE JUNGLE OF SPOKES THAT HAVE SPRUNG UP ACROSS CAMPUS. STUDENTS SEEM WILLING TO TRADE PARKING PROBLEMS FOR PEDDLING PROBLEMS. MEANS OF TRANSPORTATION HAVE EVEN REGRESSED TO THE ROLLER SKATING PHASE OF MAN'S DEVELOPMENT. THE GREAT DEBATE AND THE GREAT CAMPAIGN, FILLED SOME STUDENTS NEEDS FOR INVOLVEMENT OUTSIDE THE SPHERE OF THEIR OWN PERSONAL CONSCIOUSNESS. STUDENTS OFFERED THEIR TIME, TALENTS, AND TEEMING ENTHUSIASM TO FURTHER THE CAMPAIGNS OF BOTH MEN AND MONEY. AND EVEN THE "PLACE TO BE" HAS SHIFTED DOWN THE ROAD FROM THE O.T. TO THE BEEHIVE.

. . . OTHERS LIE DEEPER, WITHIN THE BEING OF WESLEYAN.

THE CHANGES WHICH SHAPE THE SUBSTANCE OF WESLEYAN AND DETERMINE THE DIRECTION IN WHICH IT IS TO FLOW ARE SUBTLE BUT STRONG. THE DIRECTION IS SLOWLY SHIFTING FROM EMPHASIS ON THE CULTIVATION OF THE PHYSICAL PLANT TO THE CULTIVATION OF THE INTELLECT. THE BUILDINGS HAVE BEEN RENOVATED AND BUILT, BUT THEIR TOTAL COMPLETION IS NOW BEING FULFILLED THROUGH STUDENT USE. SEVERAL NEW COURSES, INCLUDING HUMANITIES AND MASS COMMUNICATIONS, HAVE BEEN DESIGNED TO MEET STUDENTS' PRACTICAL NEEDS. SEVERAL INNOVATIONS ARE CONSIDERED THROUGHOUT THE YEAR, SOME OF WHICH MATERIALIZE INTO CONCRETE CHANGES. MANY OF THESE ORIGINATE THROUGH STUDENT CONCERN EXPRESSED IN COMMUNITY COUNCIL AND ARE THEN TRANSFERRED TO ADMINISTRATIVE CHANNELS. THESE INCLUDE MINI-SEMESTER, TWENTY-FOUR HOUR VISITATION, SENIOR WOMEN LIVING OFF CAMPUS, RESTRUCTURING HOUSING, EXPANDING FOREIGN STUDIES, AND UNSTRUCTURED MAJORS.

"I FIND THAT THE GREAT THING IN THIS WORLD IS NOT
SO MUCH WHERE WE STAND AS IN WHAT DIRECTION WE ARE MOVING."

Trustees and Administrators Chart Direction of Wesleyan

Making decisions at this time in Wesleyan's history is a serious enterprise. To determine which direction the school is to take at this critical moment is the task set before the Administration and the Board of Trustees. Always running through the minds of the administrators are questions, doubts, suppositions, and supplications — "are we doing what is best and what is practical?" Building from criticisms, surmounting odds, developing an honorable reputation for Wesleyan, the bodies of authority at Wesleyan should be complimented for admirable performances in the face of momentous undertakings.

Business Administration

This year the department witnessed the implementation of a program in which majors are provided with opportunity to concentrate in one of four areas: Accounting, General Business, Management, or Business Education. The fraternities of this department, Delta Mu Delta and the newly established Phi Beta Lambda, allow students the opportunity to demonstrate leadership and become aware of various business fields.

Christian Education

The major task of the department of Christian Education is to help prepare students for careers in many kinds of church and service-oriented programs. In the recent past, the general framework of the curriculum was altered little, but content and method have changed considerably, keeping pace with the best of modern educational developments. Planned improvements for the future are a seminar to provide a final semester of integrative study and an emphasis on field experience.

History

Wesleyan has continued its move away from traditional survey courses this year. The History department feels this is an advancement in achieving its purpose: to integrate critically the human condition through analysis of its past with the aim of developing a broad perspective so the student can function as an intelligent human being.

Gone are the carefree days of their first years at Wesleyan. The fuzzy days of decision-making are coming into sharper focus. Juniors are materializing plans and dreams, beginning to look forward to graduation. Their upper level classes are full of papers, projects, reports, panels. For a select

few, honoraries add other dates to their busy calendars. Juniors are thinking ahead to student teaching . . . permanent jobs . . . graduate school . . . permanent relationships and back over their unique experiences at Wesleyan.

Sophomores . . . There's Still Time to Change the Road You're On

Sophomores sometimes find themselves in a precarious position. They have traveled down a portion of their road and can peruse the short stretch they've left behind them. But inadvertently they wonder if perhaps they have chosen the wrong path, if perhaps they should switch paths before it is too late. Always searching for the unique, they are driven one way or the other by the many questions which are unanswered or unanswerable.

Freshmen . . . On the Road to Find Out

There have been many changes evident on campus this year. The old is being replaced by the new — the new faces of buildings and most importantly, the new faces of freshmen. They have a long road ahead of them, winding through a different environment. They are here to seek and to know, sometimes stumbling, but always forging ahead. Though they may encounter ruts and curves, they will learn to overcome these, making the road that lies ahead smoother and straighter.

One Acts

This fall Alpha Psi Omega, the dramatic arts honorary, presented 2/3 of a Trilogy, an evening of two one-act plays. The first play was **The Dumbwaiter** by Harold Pinter, directed by Tom Walker, with Rick Moser and Rich Nielt. This absurdist drama involves Ben and Gus, killers who can't figure out what life is all about.

The second play, **Company House**, by Sigmund Stoler, was directed by Tril Clarke, with Chris McGregor, Larry Raykovics, Stephanie Shelley, and Jeff Whitney. A change of pace from the first play, it is a comedy about two couples who try to commit adultery but do not quite manage to accomplish it.

Golde listens to Tevye's dream while Grandma Tzeitel and the Fiddler sing the praises of the tailor, Motel Kamzoil.

Tevye sings about the good life in "If I Were a Rich Man."

"Fiddler on the Roof"

This fall's production of "Fiddler on the Roof" was a tremendous experience for all, both performers and audience. Starting rehearsals in September, the cast worked on acting, singing, and learning the dances. It took some people quite a while to untangle their two left feet. The technical people worked hard and long to make the costumes and build the set. There were three performances scheduled for Novem-

ber 3rd, 4th, and 5th, but the box office response was so demanding that the show was performed a fourth time on Monday night, November 6th. Every show was enacted to enthusiastic and appreciative audiences. If the standing ovations at the end of each show indicate anything, it is the fact that everyone involved with "Fiddler on the Roof" did an excellent job.

Tevye and Goldie discuss their marriage in "Do You Love Me?"

Pat Cyphers starts painting Tevye's house.

Julia Bickel adds the last coat to the bar.

Rich Niedt mimics the fiddler while constructing the Fiddler house roof.

Cyndi Woodside worked long, hard hours in completing the set for Fiddler.

Dan, Gina, Rosalie and Bowie do daring stunts as "The Flying Zambinis."

Dan, Diane, Jamie and Dave Hopkins become a freight engine for the opening of the show.

George and Tom go up in a balloon during "A Penny A Look."

Thirteen students combined their talent, resources, zest, and creativity to fashion a delightful hour and a half of children's skits, poems, fables, and songs. "The Little Engine That Could," "Don't Let the Rain Come Down," and "Casey at the Bat" fascinated youngsters in Buckhannon, Petersburg, Nestorville, Belington, Philippi, Maysville, Kasson, Mt. Storm, Oakland, and the Romney School for the Blind. This experience in improvisational theater allowed the cast individual expression while cooperating to produce a polished group performance.

Mr. Presar instructs the cast on the fine points of improvisation.

The Liberal Education Series, under the leadership of the Office of Academic Affairs, has brought a great variety of programming to the Wesleyan campus this year. An extensive effort was made to focus attention on speakers, programs, films, and dramatic readings that relate directly to the immediate academic realm and the total educational process. Departments were urged to suggest programs and speakers that could be used as resources for class study. Second semester events focused on the Japanese culture to supplement the Humanities Course. Two films "The Japanese" and "Japan, The Frozen Moment" were shown as well as programs presented on Japanese dancing and the stage arts. Academic offerings consisted of speakers proficient in their various fields. Cultural offerings were numerous. Drama's many faces were exposed through "The Byrds," "Brother Martin," "Fiddler on the Roof", and "The Rainmaker." Other cultural programs were presented through demonstrations of sculpture, painting, pottery, and fashion designing. Although the hour has changed, the attendance of the college community has not. Attendance has remained low despite the high quality of the programs.

Dr. Ruel Foster, chairman of the English Department at WVU, spoke to English classes and interested students about William Faulkner.

Ayako, Japanese dancer, was part of an extensive look at the Japanese culture.

LES Supplements Classroom Learning

Duncan Williams, author of *Trousered Apes*, recounted the merits of the past in dealing with the future.

Fiore de Henriquez, sculptress from Italy, fascinated the Wesleyan audience with her lecture-demonstration on the beauty of sculpture.

Frederic Storaska demonstrated the art of self-defense in "Prevention of Assaults on Women."

Fashion designer, Renie Conley, explained her technique of costume design with Kitty Donahue as model.

The White Roots of Peace shared their cultural heritage with Wesleyan students.

Buddy Rich upheld his title of "Best Drummer of the Year."

CCPB Utilizes Additional Resources in Imaginative Programming

With the additional ten dollars activity fee from each student, CCPB was able to provide imaginative and diverse programming. The major addition to the campus social calendar was the mini-concerts. Music ranged from blue grass to jazz to hard rock. Musical highlights were Harry Chapin, The Grass Roots, and Buddy Rich. Students gained a glimpse of other cultures via the White Roots of Peace and Tzigane, the gypsy folk spectacle. John Kolisch, hypnotist and specialist in ESP, demonstrated his ability to captivated students for more than three hours. There were more cultural films this year. Hopefully, a majority of students took advantage of the enlarged schedule of events.

The New Liberation Unit performed their unique jazz style at a winter concert.

Tzigane, the gypsy folk troupe, displayed their colorful and extensive repertoire to an enthusiastic audience.

Vince Martell, creator of the "Fudge," performs at the first mini-concert.

The rock duo of "Roger and Wendy" entertained at the Top O' the Scow.

The Universe Offers a Quiet Break From the Routine

Dust and Ashes perform to a new song at the Universe.

A performer captures his audience for a poetry read.

The Universe offers an informal atmosphere in which students and faculty perform with music, some poetry, and acting. The music repertoire has included rock, folk, Spanish folk, and comical. Also, specific times are designated for informal rap sessions in this conducive setting. Special features included Dust and Ashes, the carnival during Spring Weekend, and "old-time" movies. The entire house changed its inside decor and gained a new identity with the addition of lettering to the building front.

Gloria Simmons enjoys the performer-audience interaction at the Universe.

The skeleton of the new physical education complex reflects Wesleyan's transition from strengthening its physical plant to strengthening its curriculum.

The prevailing mood of the library has changed from one of inconvenience to one of increased utility.

Wesleyan Contemplates a New Direction in '73

Students and faculty from several departments are benefiting tremendously from the renovation of Haymond Hall.

Curriculum Review and Initiation of Courses Mark Significant Academic Direction

The freshman humanities course fosters individual freedom of expression.

Sparse attendance at the open discussion of the free term indicates low level of student interest in its direction.

The Curriculum Committee coordinates the task study groups.

The mass communications course includes coverage of electronics media, theory and philosophy of communications, and print media.

In the eighty-three years of collegiate history, Wesleyan was transformed from a one-building seminary to a beautifully planned campus of seventeen main buildings. The construction energy of the Martin era, generating a major portion of the present physical plant, culminated in the groundbreaking for the new physical education complex. Now that Wesleyan's setting has achieved a harmony of outward appearance and utility, the college redirected its priorities toward inner academic strength.

A Curriculum Revision Committee was organized under the chairmanship of Dr. Joseph Mow. Coordinated by the Curriculum Review Committee, study groups explored the areas of the Mountain States Consortium, off-campus programs, continuing education, foreign languages and study abroad, "Satellite" arrangements with universities, theologically oriented inquiries, news media, Associate degrees, and programs and systems related to the performance and ability of students.

A "Free Term" of approximately three weeks, proposed by a special faculty calendar committee, was incorporated into the '73-'74 academic year. This will allow sustained, concentrated studies of chosen topics of particular interest to each individual student. Structure of the courses will

stem from the imagination and creativity of faculty and interested students.

Efforts to update the current curriculum are evidenced in the humanities and mass communications courses. The humanities class replaced the basic introductory courses of art, drama, and literature with some involvement in philosophy, religion, and history. Team-taught by five professors with an enrollment of eighty freshmen, the class was structured around the theme of perception. The five-hour mass communications course, which was team-taught by four instructors, provides an overall view of the theory, philosophy, and legal aspects of modern-day communications. Lab situations enable students to acquire practical experience in newspaper, radio, and television operation.

The Academic Affairs Committee, solely through the work of students, composed classroom questionnaires, distributed them, and compiled their results. This information would then be available to students when deciding on courses at registration.

These curriculum innovations mirror Wesleyan's effort to keep pace with the changing demands and expectations of today. These changes ushered in the beginning of a new era.

Nonie Sharp distributes classroom questionnaires, the results of which will be compiled by the Academic Affairs Committee.

Alpha Beta Alpha . . . Toward More Effective Librarians

Alpha Beta Alpha is the National Undergraduate Library Science fraternity. The Alpha Omicron chapter was installed on Wesleyan's campus in 1969. Objectives of the group are to further knowledge of its members, promote fellowship, and to help in the recruitment of new librarians. Membership requirements include completion of two hours of library science with a 2.0 overall average. This year, the chapter helped sponsor Mr. Bill Neely, a West Virginia author, for a day of lectures and discussions about writing and publishing.

Benezene Ring . . . Broadening Scope To Interest More Students

Benezene Ring, initially an honorary, has, over the years, changed to an organization that caters to more students by being open to all chemistry majors and minors. The group has a dual purpose — to further interest in chemistry, and to provide opportunities for fellowship with other students of science. They held their annual Homecoming breakfast for Benezene Ring alumni and members. They planned trips in the spring to Weston, Cass, and Greenbank. Benezene Ring presents the Hyma Award to an outstanding freshman in a chemistry course.

Alpha Psi Omega . . . Improving Quality of Theater

Alpha Phi Gamma, a journalism honorary, recognizes those students who have spent at least one year in some area of media — **Pharos, Murmurmontis**, or **WVWC/FM**. Members must have a 2.3 average. Meetings were held monthly with the initiation banquet being planned in the spring featuring Mrs. Hornbeck as speaker. President for this year was Judy Meek.

Alpha Psi Omega is the dramatic arts honorary. Membership is based on a point system. Drama students accumulate points toward membership by participating in any facet of theater production. Each fall, Alpha Psi Omega sponsors a series of one-act plays for production and in the spring, they sponsor the directing class one-acts.

Who's Who Among Students in American Colleges and Universities

The basic concept of Who's Who Among Students in American Colleges and Universities is to provide a democratic, national basis for recognition of outstanding campus leaders. Only juniors and seniors enrolled in four-year undergraduate institutions are eligible for nomination. The Awards and Elections Committee of the Community Council is asked by the national organization to select students of superior academic ability, and of outstanding leadership in community and extracurricular activities. The quota is carefully calculated to insure a well-rounded sample of the student body, yet it is kept small enough so that nominations are confined to an exceptional group of students.

The **Black Student Alliance** is not only concerned with representing black interests on Wesleyan's campus, but also with enabling the white community to gain a better understanding of their culture. Members planned a weekend of black art displays, poetry, and entertainment for the benefit of all students in an endeavor to accomplish this goal. Continuing efforts to obtain black professors remained a priority of the B.S.A.

Besides regular debate action, including a third place in the varsity division at St. Vincent College and competition at William and Mary and Marietta, other skills were attempted by some members of the **Debate Team**. These included competition in oral interpretation, extemporaneous speaking, and oratory competition. Members also sponsored a public debate on campus with West Virginia University and participated in the Nixon-McGovern Great Debate. Under the direction of their coach, Ben Snyder, the Debate Team has continued to hold their ground against more experienced teams.

W.V.W.C. Band . . . Guests of Honor Band at Forest Festival

Wesleyan's marching band rallies around the Homecoming bonfire.

Wesleyan's orange and black **Marching Band** provides students with a chance to participate in a meaningful musical experience and to serve the campus community through performances. The Marching Band performs at all home football games and in the Homecoming parade. Members were proud to be guests of the Honor Band at the Forest Festival in Elkins.

After football season disappears in a haze of popcorn, Homecoming flowers, and noise, the **Concert Band** begins

preparation for its seasonal debut. Traditionally, most bands are thought to excel only on the football field, but Wesleyan's Concert Band has proven its excellence in concert performance as well. It appears in Christmas, winter, and spring concerts in addition to playing for graduation. The band plays a variety of music — classic to contemporary, jazz to romantic — giving the student body a chance to develop its musical knowledge. Both bands are under the direction of Mr. David Milburn.

Majorettes and Bobcadettes . . . Fantastic Front for the Marching Band

The **Majorettes** and **Bobcadettes** complimented the Marching Band with a smashing front line-up during half-time performances and in the Homecoming parade. Both groups poured time and creativity into the routines that accompanied

each band selection. The corps boasted five spirited Bobcadettes and four energetic Majorettes in addition to feature twirler Melinda Craft and head majorette Joie Mellott.

Majorettes work to synchronize their routine for performance at half-time.

Bobcadettes: J. Dorsey, S. May, V. Parnell, D. Kemo, C. Wallace. Head Majorette: J. Mellott. Feature Twirler: M. Craft. Majorettes: D. Tanner, M. Reneau, J. Palmer, B. Lewis.

The group delivered a rousing performance at the National Association for Retarded Children benefit in January and toured West Virginia, Pennsylvania, and Ohio during spring break. Two home concerts concluded another year of fantastic sounds for the group under the direction of Mr. Milburn.

Community Council was established in 1964 to act as the major coordinating body of the Wesleyan community. This year, a constitution change, allowing three representatives-at-large for the sophomore, junior, and senior classes, was initiated in the hopes that these three could better represent people, such as those living off campus who do not benefit from wing representatives. All members of Council are elected or appointed to represent the feelings, problems, and hopes of the entire community. These people are willing to bring to the attention of Community Council anything which any member of the community cares enough about to express. Its eight committees investigate, initiate, and accomplish some of the Council's goals.

The first semester, Community Council tried hard to relate to its constituency by dealing with some rather tangible problems of concern to students, such as pass-fail grading in elective classes and equalization of privileges for men and women. During the second half of its term, it attempted to deal with more evasive issues. Its very organization, which includes faculty and administration, came under close scrutiny, but Community Council remained committed to the community-type government. Council also directed some of its energy toward student-centered choices concerning social regulations. It focused the rest of its attention on interesting students as much in academic concerns as in social affairs. Community Council also felt it important to create a receptive and cooperative atmosphere on campus for Wesleyan's new president. Besides providing representation and leadership, Community Council also successfully executed such projects as The Great Debate, political awareness, the planning of Homecoming and Spring weekends, extensive campus-wide publicity, interscholastic sports for women, more recreation facilities, and planning of the Awards Assembly.

Membership in **Kappa Phi** is open to all women with the hope that they will feel free to share their ideas in an atmosphere of Christian love and fellowship. It is organized around four areas — worship, study, fellowship, service. The girls work closely with SSP, assist at a community Crippled Children's Clinic, sponsor a Korean student, and visit Elkin's Children's Home, among other activities.

Sigma Theta Epsilon . . . Emphasis on Altruism

Sigma Theta Epsilon involved itself in numerous altruistic projects. The brothers made four trips to Elkin's Children's Home for parties, helped raise money for the Sugar Creek Children's Home, and

worked extensively with SSP. Sigma Theta initiated twelve new brothers this year and their formal was held in April in Buckhannon.

WVWC/FM . . . Expanding Broadcasting to Meet Campus Needs

WVWC/FM, the largest non-commercial public radio station in West Virginia, has undergone a metamorphosis this year under the direction of the new station manager, Mr. Richard Madden. The program format has been revised to include rock at night as well as other music in the afternoons, interviews and specials on the local scene, block programming, and, more recently, the acquisition of the American FM news service. This year a new permanent staff member, Mr. J. W. Wright, was added through the Minority Grant from the Corporation of Public Broadcasting.

SSP . . . Initiating Blood Donor Program

After a shaky start, Student Service Projects has been revamped and has developed very profitably. The organization currently sponsors eight working projects involving over two hundred students. The newly organized Blood Donor Program has the largest membership with over one hundred students who serve as substitute donors for elderly persons who cannot give blood. This program is sponsored in affiliation with the Upshur County Blood Donor Program. The Tutoring Program places college students in a one-to-one learning relationship with youngsters who are having problems with their work in local schools. The Big Brother—Big Sister Program also provides a child with companionship and love that he might not otherwise experience. In the extensive program of working with the elderly, college students visit these people for the purpose of sharing and offering their help. The Recreation Project features work with groups of youngsters on Saturday mornings and afternoons. SSP also sponsors programs of taping and reading visits with the blind and helping in two local schools for the mentally and physically handicapped. The program at the Appalachian Mental Health Center focuses on special attention to mentally disabled adults in a clinical setting.

Jean Swain shares her time and companionship with the elderly.

The Associated Women Students is organized to strengthen channels of communication and unity among Wesleyan women students. This year AWS, in conjunction with other campus groups, was instrumental in establishing new hours for women, new visitation hours, and a policy of off-campus housing for women. A new program initiated this year was Women's Week. The agenda consisted of speakers, parties, and a fashion show. The year closed with the traditional Rose Banquet in recognition of senior women.

The Council on Ministries is composed of the chairmen of its four work areas: social concerns, education, worship, and ecumenical. Held this year were some dynamic discussions on the role of students in the government of a Christian college and Christian values as part of the classroom. As defined in its constitution, "the purpose of the Religious Life Council shall be to plan and to coordinate religious activities of the campus and to promote campus-church relations." The Council fulfills this purpose through its officers, committees, and representatives.

The Murmurmontis is an annual attempt to account for one year of life at West Virginia Wesleyan College. The staff tries to balance objective reporting with creative journalism in producing a yearbook. They also try to respond to the criticisms and suggestions of the campus community in order to develop a book to meet their needs. This year, the Murmurmontis utilized the imagination of outside organizations in a creative group picture contest.

Organizations . . . The People That Make Them

Student Campaign Marks First Combined Venture of Campus Organizations

Concerned students spent many volunteer hours contacting others for contributions.

At first glance, \$45,000 seemed an insurmountable goal to be reached solely through student contributions, but Ted Brown and Ted Anderson felt confident as they kicked off the start of the student campaign to purchase the bleachers for the new physical education plant. This campaign marked the first combined effort of all organizations and students on campus in cooperating to achieve something in which they all believed. Volunteers canvassed the entire student body so that each person had an opportunity to contribute to the campaign. The heavy impact of organizational giving boosted the morale of the workers as well as the thermometer indicating the progress of the campaign. With the matching funds from an anonymous benefactor, the student body showed its willingness to invest in the future of Wesleyan by raising the \$45,000 that seemed such an awesome sum at the beginning. With this many people believing in Wesleyan, it must be a sure thing!

Ted Anderson serves with Ted Brown as co-chairman of the student campaign for the completion fund.

The Panhellenic Council serves as a coordinating body for the activities of the four sororities on campus. Weekly meetings provide a chance for the girls to keep the lines of communication open between groups. The council reformed rush rules to keep in step with the changing women's regulations. Its major activity this year was to plan Greek Week. With the joint sponsorship of IFC, the two groups organized and carried out an enlivened schedule of Greek events.

Panhellenic and IFC Steer Organization of Greek Week

Inter-Fraternity Council is composed of three representatives from each fraternity. This includes the president and two other elected members. The group meets weekly to discuss problems common to all the fraternities. They coordinate the functions that involve all Greek men and act as a clearing board for rush and social activities via a master calendar. IFC also works directly with Panhellenic in an attempt to harmonize the activities of all Greeks on campus. In conjunction with Panhellenic, the principle goal of the spring semester was the reorganization of Greek Week.

Rush Sign-Up Initiates New Experiences

Rushing is a process which goes on semester after semester. After the initial Panhellenic sign-up, the Panhellenic tea and Round Robin give the girls a chance to meet the sororities. Informal parties are given for the rushees to further acquaint them with the sisters. This is the only party held in the fall. In the spring, each sorority's informal party is followed by a formal one. Preference cards are given out in Agnes Howard lounge.

Interfraternity Council sponsors rush sign-up for the men. Informal parties and

smokers are held at the houses during the semester to familiarize the rushees with fraternity life. Bids are distributed by each fraternity. The rushee then has to decide which bid he will accept.

Introductions by sororities and fraternities follow in the SCOW and all celebrate that evening. Things get underway for the pledges the following morning and for about eight weeks thereafter. Each pledge has his time well occupied preparing for activation.

K.A. incorporated fifteen pledges into the fraternity in the spring. These additions aided the brothers in intramural competition. What is this Madness?

Perhaps the most prominent aspect of the year for Theta Chi was the raising of over \$600 for the gymnasium complex by their 150 hour basketball marathon, which established a new world record. Aside from activity on the court, Theta Chis were participants in most school sports: 18 brothers on the football squad, including both co-captains, 4 brothers participating in track, 3 on the swimming team, and several on the baseball squad. Theta Chis added 3 pledges in the fall term and 11 in the spring, giving them a brotherhood of 60 strong at the year's end. The sweetheart for '72-'73 was Andrea Georgalas with Barbara Liske succeeding her for '73-'74. In intramurals, Theta Chi captured the "A" league football and basketball trophies and "D" league volleyball championship. Theta Chis also placed second when points were tallied for Greek Week events.

Paul Hepp served Theta Xi as President this past semester with Dave Carson, Vice-president; Craig Carmichael, Treasurer; John Dixon, Scholarship Chairman; John Rogina, House Manager. The fall pledge class consisted of three members and the spring class brought eleven new pledges. Jeannie Summers represented the fraternity as sweetheart, being replaced by Pam Kincaid. The brothers won D league basketball and built the winning Homecoming float. Iris Ball was held this year in Clarksburg on April 28.

Alpha Delta Pi Captures Over—All Greek Week Title

Greek Week '73 began on April 7 with the sleeping bag relay and a watermelon eating contest. Due to bad weather on the 8th, Sunday's events, which included the pyramid, three-legged race, and laundry bag race, were postponed until the following Sunday. The pool was the setting for Tuesday night's events — the clothing race, inner tube race, and freestyle competition. The sororities recuperated for the egg toss, football throw, and foul shooting on Saturday afternoon and Sunday afternoon's tug 'o war with the dizzy bat race becoming everyone's favorite. The events closed with a spirit contest and announcement of awards. According to point accumulation, Alpha Delta Pi won, with Alpha Xi Delta second and Alpha Gamma Delta third.

Chi Phis Place First in Over-All Men's Greek Events

Chi Phi and Theta Xi battle it out in the water polo contest.

The Greek Week schedule of events provided numerous activities in which the five fraternities could participate. These included foul shooting, swimming events, inner tube polo, bed race, raft race, and track and field events. The brothers of Kappa Alpha performed impressively in the track and field events. Chi Phi pushed their sweetheart to the front in the bed race while Phi Sigma Epsilon pulled to the finish line first in the raft race. Point totals on Sunday awarded Chi Phi first place with Theta Chi placing second. Kappa Alpha stood in strong for the third place position.

A fall retreat at Jackson's Mill initiated another siege of activities for Alpha Delta Pi Sorority. Dean Jones awarded the first place scholarship trophy to the pledge class at the first semester's Panhellenic Scholarship Banquet. Two seemed to be the magic combination this year as Cheryl Kiser and Lynn Conticchio represented the Pis on the Homecoming court, Linda Applegate and Andrea Georgalas competed as **Murmurmontis** Queen candidates, and Linda Applegate and Phyllis Hain were voted as senior members of the Spring Weekend court with Jan Palmer representing the freshman class. Jani Poundstone became the new Kappa Alpha sweetheart, the Theta Chi brotherhood selected Andrea Georgalas, and Cheryl Kiser was chosen to be sweetheart of Phi Sigma Epsilon. The ADPis raised funds for their philanthropic project by co-sponsoring a spaghetti dinner with the Theta Xis, adopted a foreign child through monthly contributions of sisters, and planned a sundae party in conjunction with the Alpha Xis. The sisters again captured first in the annual Greek Week events held during Spring Weekend. Twenty pledges renewed the sisterhood and as ADPi Sweetheart, Rusty Hagedorn remained number one in the hearts of the sisters.

Vicki Parnell and Jane Weimer join their sisters after receiving their bids.

A very successful fall retreat at EvUnBreth Acres generated lots of spirit in Alpha Gamma Delta. The sisters worked hard planning a float and banner for Homecoming and were awarded first place plaques for both entries. Debbie Willard and Nonie Sharp represented Alpha Gam on the Homecoming Court. Debbie Glenn and Pam Kincaid were contestants for the sorority in the **Murmurmontis** Queen contest. The sisters actively supported the Completion Fund Campaign, and through the help of their loyal alumni, were able to contribute \$455. Second semester was highlighted by the celebration of Alpha Omicron's twenty-five years on Wesleyan's campus. The sisters held a bazaar in March to raise money for their altruistic project and supported a foreign child. Alpha Gam welcomed twenty-five new sisters during the year. Spring Weekend brought additional honors to the sisters. Alpha Gam won honorable mention in the Sing competition, and Marilyn Terry was the Junior Attendant. The girls placed third in Greek Week events.

Alpha Xi candidate Ginny Lamby was selected as the 1972 **Murmurmontis** Queen while Kathy Seilus was second runner-up. Linda Hayden continued to be Chi Phi Sweetheart and Jeannie Ashenbaugh Summers was chosen by the Theta Xi brotherhood. Tenth Anniversary Highlights Zeta's Spring Semester

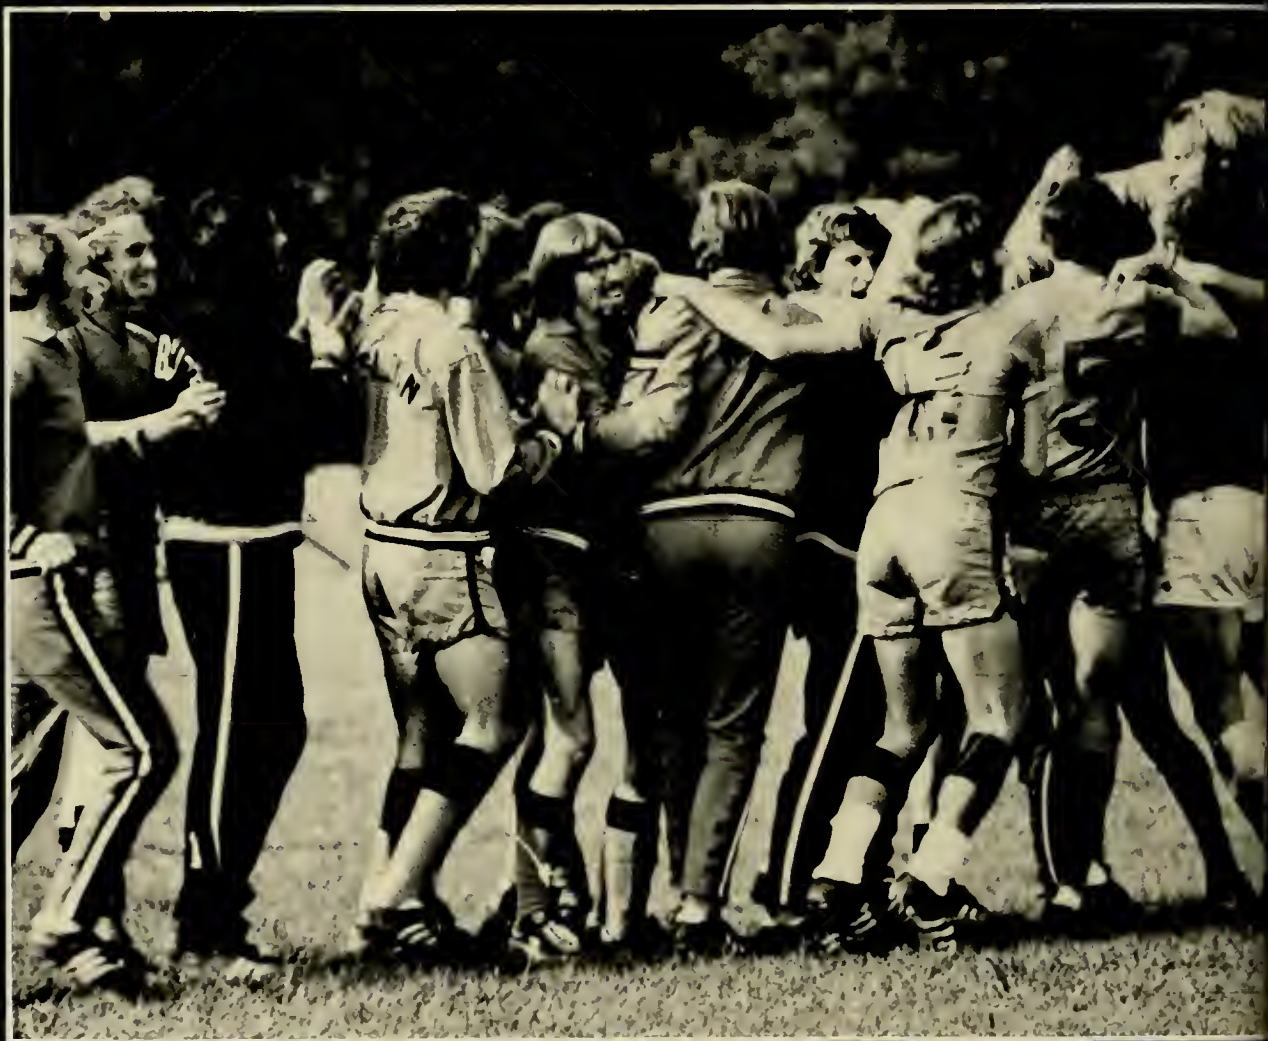

... presenting Zeta Tau Alpha's 1973 Spring Pledge Class.

Zeta Tau Alpha's sisterhood continued to grow and to strengthen under the leadership of Paula Foard and Nickki Hendershot. Fifteen new pledges were added to the sorority during the year and generated much enthusiasm throughout the sisterhood. Kathy Snavelly was named first runner-up in the **Murmurmontis** Queen Contest and the sisters participated actively in all the intramural sports. Second semester, Zeta celebrated the tenth anniversary of the sorority's founding on Wesleyan's campus. All alumni were invited to Wesleyan to share the bond of sisterhood once again with the Zetas on campus.

The sisters go "overboard" in planning a fantastic fall rush party.

Bad luck once again plagued the Bobcats as they finished the year with a discouraging 2-9 mark. Coach Bouch had high praise for his ten seniors who were with the team for four years. They are Terry Landis, Les Hart, Frank Lucente, Danny Nawara, Rusty Hagedorn, Dale Maurer, Ralph Engleka, Dick Bouch, Jay Fleischman, and Tom Robinson. "We were disappointed with the season, but I feel it is possible that Wesleyan football is on the way," Coach Bouch pointed out.

This year's cross country season was highlighted by the running of George and Greg Hendrickson. The twins set records at almost each of the tracks on which they ran and finished the N.A.I.A. There were a few bright spots in an otherwise dismal season for Bobcat basketball this year. The team racked up several exciting wins and experienced many close contests. The Bobcats could not seem to tally the few extra points in the final minutes to pull ahead in the game. This was a building year for the team with only three seniors. Several hot prospects in the freshman line-up evolved during the season to add depth to the bench.

The starting five often included three freshmen. On the court, the Bobcats excelled in foul shooting, placing first in the conference. The offense was fair, but the defense proved the weak area of the game. The feeling of unity is difficult to develop in a losing team, but the Bobcats maintained good team cooperation and spirit. Captain is Dave Cores and other senior members are Skip Davis and Harry Sneigle.

Coaches Myers and Smith and the Bobcats reflect concern for the outcome of the game.

It isn't an easy thing to arouse the interest and excitement of the Wesleyan student body. However, with the help of five spirited and steadfast cheerleaders, there is some semblance of school spirit at athletic contests. The girls spend hours each week practicing and perfecting their skills. They attend all home football, soccer, and basketball games and travel to some not-too-distant away games. The cheerleaders sell mums at Homecoming and make signs to post on campus walls to boost interest in Wesleyan athletics.

Also this season, eleven school records were broken. Berthold displayed the most consistent performance again, this year being his third diving championship in a row. After individual practice from Thanksgiving to Christmas, the girls started team practices three nights a week until Spring Break, after which they worked out every afternoon. Competing against Morris Harvey, West Virginia Tech, and Marshall, the girls broke four state records and won the meet to become state champs. FRESHMAN ORIENTATION

Freshmen are excited at receiving their first campus mail.

Dr. Davis welcomes the '73 freshman class to Wesleyan.

Summer orientation sessions, June 22-24, and July 20-22, were warm and friendly experiences for the incoming freshmen. There was an enthusiastic atmosphere created by the faculty's interaction with the promising new addition to the Wesleyan student body. During the sessions the parents adhered to the same schedule as the

students. In this way, the parents oriented themselves along with their sons and daughters. This was the second summer for the orientation sessions. During these two days of acquainting and orienting, the program gave the parents, as well as the students, an excellent preview of Wesleyan ways.

"His Name Shall Be Called Emmanuel" Themes the Hanging of the Greens

Students joyfully sing carols around the lighted tree, highlighting Wesleyan's Christmas tradition.

The Hanging of the Greens and Carol Service initiated the start of the Christmas season on campus at 7:00 p.m. December 10, 1972. The service revolved around four basic themes: The Light Foretold, The Light Revealed, The Light Received, The Light Reflected. After the indoor ceremonies, the people filed out to the Chapel oval where the Christmas tree was to be lighted. They stood with shining tapers and sang more carols as the lights on the tree illuminated the surrounding area.

The debut of the Hand Bell Choir added a fresh note to the Hanging of the Greens Ceremony.

Pleasant memories will always be recalled by Pat and Dennis Ehlerts when they see spring gardens. Wesleyan's Lily Garden was the setting of their outdoor wedding on May 13, 1972 at 12:30 p.m. They had a rather small, somewhat formal wedding party, and it fit much better into the garden than into the Chapel. The Maid of Honor was Elaine (Woody) House, and the Best Man was Jack Sholl. Dr. Alfred Black of the Philosophy Department performed the ceremony.
